

“EVERYTHING IS **NEW** AGAIN”

An insight into what the new Federal Workplace Relations legislation means to your business - from one of the best in the business.

Having advised some of Australia’s largest corporate clients, Julian Riekert is one of Australia’s most pre-eminent Workplace Relations legal experts. Now is your opportunity to hear Julian speak on the upcoming workplace relations changes which will see plenty of new – and old – changes to existing workplace laws.

Over a sumptuous breakfast at Crown Casino’s Garden Room on the 16th July, Julian will share valuable insights into Australia’s new workplace relations legislation presently being introduced in Federal Parliament.

Julian is renowned for bringing the law to life as he explains the practical implications of “the legalese” that employers often find themselves faced with. With an informative and frequently humorous style which cuts to the chase, Julian will answer common questions which every employer wants to know:

- **How will unfair dismissal laws now be applied?**
- **What will happen to previous agreements and AWAs?**
- **How much power will unions have to enter workplaces?**
- **What procedures and processes will our business need to change?**

Time will be provided for questions from the audience following Julian’s talk.

What’s more, the very reasonable ticket price of \$50 per person will support a great cause – profits from the event will go to The Rotary Club of Southbank’s Community Fund, established in partnership with the Lord Mayor’s Charitable Foundation (LMCF).
