

getting involved

Who can be a Rotarian?

Men and women from a broad range of professional, managerial, community based or business ownership backgrounds. Most importantly they must want to serve their community and attend their club regularly. A significant cross section of a community's vocational life is represented – one of Rotary's great strengths.

How do you join?

Membership is by invitation, but if you don't know anyone in Rotary, call **1300 4 rotary (1300 4 768 279)** for assistance. A person who is interested in joining is invited to attend a meeting to learn more about Rotary. Their name is submitted to a membership committee to begin an induction process.

What's in it for you?

The Rotary experience is built on volunteering, service, friendship, business networking, personal development and FUN.

Community Connection

Rotarians are active in raising funds and supporting projects involving health and education and the development of young people – in their neighbourhood, nationally and internationally.

Friendship

A strong sense of camaraderie develops through a variety of club activities. Rotarians stand together in good and bad times. Lifelong friendships are often formed.

Networking

Everyone needs to network. Each club has a membership drawn from all walks of life. Rotarians support each other as well as helping those in need.

Personal Development

Through activities, responsibilities and opportunity, Rotary promotes growth in social skills, public speaking, leadership and motivation.

Fun

Rotary is fun! All meetings have a fun element – and there's never a dull moment when people with a common purpose pull together in support of a worthwhile cause.

Rotarians are people who share their time and energy to help communities...

...and have fun doing it

Come and share in the passion of Rotary and serve your community whilst enjoying the fellowship and network of like-minded people. For more details, please visit our website:

what is rotary about?

The magic of Rotary is that it allows ordinary people to achieve extraordinary things. For over one hundred years, ordinary people around the world have come together as Rotarians to unite the power of one with the power of many to bring about exceptional change in the world.

Rotary is a worldwide organisation of business and professional leaders who share their time and energy to help communities...and have fun doing it.

A worldwide organisation, Rotary is made up of men and women across all professions and vocations. You can spot them by the little gold and blue badge they wear. In Australia there are more than 34,000 members in 1,200 Rotary clubs across towns, cities and small communities, all committed to Rotary's ethos of "Service Above Self".

making a difference

How can you turn a dream of a better world into tomorrow's reality? Rotary provides a way to put ideas into action.

When Rotary started raising money to eradicate Polio in 1985, there were over 350,000 cases in 125 countries recorded annually.

In 2006, only 1,870 cases of Polio were reported worldwide; Polio is now endemic in just 4 countries. Working with major organisations such as The Bill and Melinda Gates Foundation as well as governments throughout the world, Rotary is closing in on finishing off Polio for good.

With over US \$700 million contributed and more than 400 million children immunized worldwide, the volunteer efforts of everyday people through Rotary have changed the world as we know it.

where you can help

Rotarians are involved in numerous projects to help communities both at home and abroad. When you join Rotary, you will be encouraged to turn your passions into a way of helping others – and you're likely to find support from other like-minded individuals. Just some of the areas in which Rotary has active projects running in which you can participate include:

Disaster Relief

Youth & Learning Initiatives

Environment

Providing Computers For Kids

Employment

Community Support

Community Health

Suicide Awareness

Business Leadership & Mentoring

Projects & Programs To Assist The Disabled

Indigenous Community Support

Volunteering
